Dear Mr. LeGulf:

On behalf of Mr. Allen W. Dulles, Director of Central Intelligence, I should like to acknowledge receipt of your letter of August 22nd dealing with the Powers' case.

As you must know, Mr. Powers performed an extremely valuable service for the security of this country. Arrangements have been made to continue his salary accruals without reduction of amounts. This determination is in accord with existing Federal laws which would be applicable to civilian employees and military personnel under similar circumstances.

Your interest in this matter is appreciated.

Sincerely,

Signed

Assistant to the Director

Would so like a just answer to  
the Powers case - If he accepted such  
a job (far beyond what he ever made before)  
and the rules is if caught to end it all  
before confessing (U.S. never should  
have done same!!) or to be a man  
without a country of which he did  
choose - There is a large salary still  
due him?

yours
